## *How to Access and Navigate Imperial Dade's Online Ordering Site*

Please visit us at <https://www.imperialdade.com/>

Utilizing our online ordering system, you can place orders 24 hours a day and receive next day delivery if your order is submitted before 3pm.

***To access: please go to <https://auth.imperialdade.com/> and login with your credentials.***

If you would like to be set up for online ordering please reach out to your salesperson and/or the online ordering team at [onlineordering@imperialdade.com](mailto:onlineordering@imperialdade.com)

Once logged in, you will see your item list, which is based off the items that you have ordered in the past.

You can also reset your password by clicking on the forgot password? Link

The screenshot shows a web browser window with the address bar displaying [auth.imperialdade.com](https://auth.imperialdade.com/). The page features the Imperial Dade logo at the top, which consists of a blue swoosh above the text "ImperialDade". Below the logo are two input fields: "username" and "password". A blue "Sign in" button is positioned below the password field. Underneath the button is a link that says "Forgot Password?". At the bottom of the login section, there are two links: "Not registered? Register Today" and "Puerto Rico user? Click Here". A footer section contains the text: "Need assistance? We are here to help! Email us at [ecommerce@imperialdade.com](mailto:ecommerce@imperialdade.com) or call us at 866-336-3364 and one of our team members will contact you. Thank you for the opportunity to serve you."

### To place orders:

On the item list you will see the item, item image, your item number (if applicable), description, pack quantity, inventory level (“on hand” amount), and pricing

1. You can now start adding items to your cart by entering a number in the qty column and clicking Add OR you can add all qty’s first and then click Add All Items with Quantities on the top right

## Imperial Dade Online Ordering Platform

---

2. Once you are ready to submit your order, you can click on your cart at the top
3. This will open your cart where you can enter a PO number if needed, select a ship to address (if applicable), select a delivery date (if other than next business day)
4. You can make further adjustments to your order – change quantities, remove, etc.
5. Click on submit order
6. An order confirmation number will appear on your screen
7. Additionally, we can set up an email with an order confirmation to be sent whenever an order is placed

**\*\*Currently you will only have access to place order for previously purchased items. To add a new item, please reach out to your salesperson.**

- Orders for next day should have submitted before 3pm
- Once an order has been submitted you will not be able to make changes on the web
- To make changes, you will need to call customer service
- If you would like to place an order for pick up, you submit the order online, but you will need to call customer service so we can have this prepared
- SDS sheets are available for any chemicals previously ordered

### Order Approval:

- Orders entered by users may be flagged to require approval before being submitted to Imperial Dade.
- A user may be setup to require approval by a single approver or multiple approvers

## Imperial Dade Online Ordering Platform

---

- Single Approver- Once order is approved it will transmit to Imperial Dade for processing.
- Multi-level Approval: user can place order, then order goes to manager for approval, then once manager approves it, director will need to approve, etc.
- Any orders placed by this user will not process until the designated approver logs in and approves the order
  - The user would log in and enter their order. Upon completion, click “submit order.”
  - The user would receive an on-screen confirmation
  - The designated approver will receive an email notification that an order is pending approval
  - The approver must login
  - Click on the tab named “Approval”
  - All pending orders will appear, and the approver(s) may approve or reject the order
  - Once “approved” by the designated approver, the order will be submitted and processed by Imperial Dade

### ***Budgets:***

- Imperial can implement a recurring (weekly, monthly, annual) monetary budget restrictions by account
- As orders are submitted, the dollar amount of the order is deducted from the budget (you can see this on-screen in red)
- Accounts can be coded to either have a warning sign if over budget, hard stop – where users are not allowed to go over budget, or have over budget orders sent to approval
- This process will then follow the above process as Order Approval
